Conga

tropical vibe

Inspired by tropical nights and the captivating rhythm of Latin music, the Conga collection combines tiki-style chic with the clean lines of mid-century minimalism. The end result is a hip, contemporary look that is decidedly unique with its drum-inspired knobs and smooth ergonomic pulls with a subtle groove for added interest.

Elizabeth

celebrate tradition

Notable for its regal detailing and fine finishes, this elegant line of exceptional hardware makes a statement about good taste and quiet luxury. Elizabeth stands out for its sculpted octagonal pulls and crown-inspired knob.

The Elizabeth pull was the standout star in our Design Office cabinetry addition because of its proportional lines, dynamic finish and custom looking shape.

Linea Rail

a versatile classic

For this “Coastal Comfortable” Kitchen, we went with the Linea Rail pull because we could use multiple sizes throughout the large space. This worked really well to create a pop of contemporary styling.

Steampunk

turn of the century

Taking inspiration from the turn of the century industrial age with a touch of sci-fi style, the Steam Punk movement is known for its heavy emphasis on exposed pipework and liberal use of metal and interesting textures.

U-Turn

U need this!

The U-Turn Pulls add almost a geometric pattern to the expanse of white cabinetry. We loved the square shape created when setting them in pairs, and the weight of them is wonderful.

Free Samples

AVAILABLE IN THE US AND CANADA ONLY

Planning your final touches with decorative hardware? Not quite sure what the perfect choice is? Why not get a few samples to help you? Browse our catalog and website to make your selections. Atlas Homewares will mail you up to 3 samples at no charge for the sample. There is a \$5 shipping and handling fee per sample.

Products that qualify for a Free Sample are:

- Any knob, regardless of price
- Pulls that are less than 7" in center-to-center, regardless of price
- If ordering more than one sample, the additional samples must all be different part numbers

Order your free samples on our website www.AtlasHomewares.com. On the website items that qualify for the Free Sample program are indicated in the Item Details section. An "Order Free Sample" button will display if the item is in the program. Select "Order Free Sample" on 1, 2 or 3 knobs and pulls you would like to have mailed to you. They will arrive via USPS, or UPS in Canada.

Make drilling holes for cabinet pulls *easy!*

Part #: TKTEMPLATE

Our new installation template is your all-in-one tool for marking hole locations for cabinet pulls. Use the rulers on the edges of the template to measure your doors and drawer fronts.

The flexible and transparent tool also includes predrilled holes for our most common pull sizes. Simply align the tool with the center of your drawer or your desired location on doors, mark the hole locations from the tool, and drill the holes.

Add part number TKTEMPLATE to your next order!

To watch a video on installing cabinet pulls using our new TKTEMPLATE tool, scan the QR code or go to <https://delivr.com/27w49>.
